Joseph J. Torrey, being duly sworn, deposes and says :  
That he resides in the 568 West 42<sup>nd</sup> Street in the County of New York

and is an expert and State of New York, and is 28 years of age,

That on the 24<sup>th</sup> day of November, 1885, in the

of New York occupied by him, No. 65 New Chamber street, in the City

and State of New York, one John Doe, against the

form and statutes in such cases made and provided, and in violation thereof, and against the peace of the people of the State of New York, had in his possession, with intent to sell the same for Butter made from unadulterated Milk or Cream, a number of pounds of a substance, product, manufacture and compound, which was not Butter made from unadulterated Milk or Cream, but had been made by manufacturing, mixing and compounding with and adding to a small quantity and proportion of natural Milk, Cream or Butter a large quantity and proportion of animal fats or animal or vegetable oils, and was a manufactured oleaginous substance not produced from Milk or Cream ; that it had been and was colored with some coloring matter whereby the same was made to resemble Butter, the product of the Dairy, and was so colored thereby, in semblance of and resembled Butter, and did resemble Butter the product of the Dairy ; that the said John Doe

offered said substance, product, manufacture and compound for sale as and for Butter made from unadulterated Milk or Cream at such time and place, with intent to sell the same as and for Butter made from unadulterated Milk or Cream, and did sell some considerable portion thereof, to wit, 1/2 pound

as and for Butter, the product of the Dairy, and represented the same to be Butter at such time and place ; that the said substance, product and compound was not natural Butter produced from pure unadulterated Milk, or Cream of the same, and was not Butter the product of the Dairy, and was not made exclusively from Milk or Cream, or both ; that it contained some substance for the purpose and with the effect of imparting thereto a color resembling that of yellow Butter, and was in imitation and semblance of natural Butter produced from pure unadulterated Milk or Cream of the same, and was colored by some substance to resemble yellow Butter, and was in semblance of natural Butter ; that the same was a substance known as Oleomargarine ; that it had been made, manufactured and rendered after April thirtieth, 1885, out of some animal fat, or animal or vegetable oils not produced from unadulterated Milk, or Cream of the same, in imitation and semblance of natural Butter, produced from pure unadulterated Milk, or Cream of the same, by mixing, compounding with and adding to a small quantity of Milk, Cream or Butter a large quantity and proportion of some animal fats or animal or vegetable oils not produced from Milk or Cream, with design and intent to render, make and produce an article, substance and human food in imitation and semblance of natural Butter. That the same was not manufactured, or in process of manufacture on April thirtieth, 1885, but has been rendered, manufactured, compounded and mixed since April thirtieth, 1885. as deponent is informed and believes

~~That the tubs in which the same was contained did not have the words "Oleomargarine Butter" upon the top or side thereof, and such words were not burned in or painted thereon with permanent black paint, in a straight line not less than one half inch in length, where deponent could see such brand, that no printed label, bearing the words "Oleomargarine Butter" was delivered therewith to the purchaser thereof.~~

Deponent further says that on said 24<sup>th</sup> day of November

1885, he went to the said John Doe of said

John Doe in said City and County, and told Said Doe

that he wanted to buy some Butter ; that said John Doe

~~showed deponent a number of pounds of the said Oleomargarine hereinbefore mentioned, offered the same to deponent for sale, and sold the same to deponent ; that he so sold to deponent~~

~~thereof, and deponent then paid to him therefor the agreed price thereof, amounting to the sum of \$~~ 0.10

~~that, as deponent believes and charges, the said~~ John Doe at the time

~~of so offering and selling the same, well knew that it was Oleomargarine, and had been manufactured and colored as hereinbefore stated ; that he did not tell deponent at any time that the said Oleomargarine so sold to deponent was not Butter, the product of the Dairy ; that deponent saw the tubs in which the said Oleomargarine was contained, and no~~
