ST. NICHOLAS TERRACE AND ONE HUNDRED THIRTY NINTH STREET

June 7, 1912.

Dear Mr. Adamson:-

With this I am enclosing a letter to the Mayor concerning the matter of which I made inquiry of you a few days ago. I was told by the Commission to whom the matter was referred that there were no restrictions, but since my conversation with Commissioner Stover and Mr. Hastings I have felt that I ought not to take any active steps in the matter. Will you be kind enough to bring the letter to the attention of the Mayor?

Sincerely yours,

To

Robert Adamson, Esq.,  
Secretary to the Mayor,  
City Hall, N.Y.

Dear Mr. Mayor:-

I understand that Mr. Frick's proposal did not name any limitation as to site. But I have also learned that the project of removal was the conception of Commissioner Stover and that the proposal followed his suggestion. It seems hardly fair to him that I should present a counter-proposition. It is only in the event that no satisfactory park site is found that I should wish to urge any other site.

Respectfully yours,

To

Honorable William J. Gaynor,  
Mayor, City of New York,  
City Hall, N.Y.C.

Dear Mr. Mayor:-

In observing our Charter Day this year on the 10th of May we are planning to celebrate the addition of the two blocks to our College campus. You had so large and important a part in making this possible that we hope you will consent to be our chief guest on that day. The exercises in which you will be asked to participate will occur about one o'clock, but we can probably make our plans suit your convenience if you find it possible to come at ~~any~~ <sup>any</sup> time between twelve and two.

Sincerely yours,

To

Honorable William J. Gaynor,
